Education

Rust College

Expected Dec 2028

Bachelor of Science in Computer Science — **GPA: 4.0**

Holly Springs, MS

- Relevant Coursework: Pre-Calculus, Intro to Python, Calculus I

Experience

Rhodes College

May 2025 – July 2025

Biology Research Intern

Memphis, TN

- **Collaborated** with a cross-functional team to execute 20+ complex scientific protocols, adhering to documentation standards that mirror **software version control** and debugging methodologies.
- **Spearheaded** the automation of data entry workflows, **reducing manual error rates by 15%** through process optimization and custom scripting.

Technical Projects

Moubely (Intelligent Desktop Assistant) | *Electron, React, TypeScript, AI APIs*

Dec 2025

- **Architected** a resilient multi-provider LLM orchestration layer with a dynamic routing engine, **eliminating 95% of API failures** by orchestrating 18+ AI models for high-availability performance.
- **Engineered** a high-performance **Privacy-First Overlay** using advanced Electron window management to ensure zero-latency data security for enterprise-grade productivity workflows.
- **Implemented** a live terminal telemetry system to handle **real-time multi-modal data streams**, reducing transcription latency by 40% through in-memory caching and optimized observability.

Movie Search App | *React, JavaScript, Tailwind CSS, AppWrite*

Nov 2025

- Built a **reactive app** using **Appwrite** for auth and real-time database management, **scaling to 500+ active user searches** via optimized **REST API** integration.
- Engineered a **smart routing system** for **native Android intents** or web fallback, **improving mobile load times by 30%** and optimizing the overall user experience.

Personal Portfolio Website | *HTML, CSS, JavaScript*

Sep 2025

- Developed a high-performance portfolio site using modern **CSS Grid and Flexbox**, achieving a **100/100 Lighthouse performance score**.
- Automated **deployment pipelines via GitHub Actions** with custom domain configuration and **SEO optimization**.

Leadership

Rust College | *Student-Athlete*

Jan 2025 – Present

- Maintained a perfect **4.0 GPA** while dedicating 20+ hours weekly to intercollegiate athletics, concurrently **mentoring 10+ freshmen** on balancing academic rigor with high-performance travel commitments.

Technical Skills

Languages: TypeScript, JavaScript, Python, HTML/CSS

Frontend: React, Tailwind CSS, Vite, React Query, Radix UI

Backend & System: Electron (IPC, Native Modules), Node.js, REST APIs

AI & ML: Gemini API (1.5 & 2.0 Flash), DeepSeek R1, Perplexity, Groq, Whisper

Tools: Git/GitHub, Linux (Bash), VS Code, CyberChef, SSH

Affiliations & Honors

ColorStack Fellow · 2026 EICOP Finalist · CodePath CyberSecurity · French Proficiency – Native
